Wild Thing®

2011 Old Vine Zinfandel

Mendocino County  
ORGANICALLY GROWN GRAPES

Old Vine Mendocino Zinfandel is a treasure. Grown on the benchlands and slopes of mountainsides — this wild-looking old vine Zinfandel offers fruit that winemaker Carol Shelton, with her 35+ years of experience and creativity, has transformed into a wine that is concentrated yet soft, creamy and full of flavor. Our Wild Thing Zinfandel was named for these wild-looking vines and also for the uninoculated, or “wild,” yeast ferment that was used to create it. It takes a lot of effort to tame this wild fruit, but it is worth all the trouble.

**Winemaker's Tasting Notes:** Aromas of black cherry, plum and raspberry fruit combine with a beautiful hint of vanilla-oak loveliness, smoothly textured in mouth, very creamy and round, the finish is long and has lush jammy fruit — this wine is dangerously good! Remember — you are what you drink ....
