PeaceLand Zin

Old Vine Zinfandel
PeaceLand Vineyard
Fountaingrove District AV

The name of the PeaceLand Vineyard comes from the translation of its owners' German last name—Friedland. The unique “tall-head” trained vines are planted in a wild fantasia of settings—steep hillsides, amidst groves of bay and live-oak, most with stunning vistas of the city of Santa Rosa far below. It was the three separate clones Zinfandel that drew us to try them out...and we are hooked!

Winemaker's Tasting Notes:	Deep spicy jammy berry, rich chocolatey oak, layers of loveliness! Juicy razzberry jam in mouth, bright acidity and good structure for aging. This baby packs everything that Zin should be and much more!
Harvest Date:	October 3, 2013
Average Brix at Harvest:	25.7°Brix (soaked)
Average TA/pH at Harvest:	0.61 gm/100ml pH 3.55
Fermentation Characteristics:	3 days cold soak prior to ferment, 16 days total on skins 100% bin-fermented & punched down by hand
